

Thermographer Recertification Form

All **ite** certified thermographers renewing their certification level are required to meet continuing education or professional contribution requirements during a five (5) year period. Recertification of thermographers is intended to apply only to individuals who maintain continued active employment in thermography and demonstrate efforts to keep abreast of new developments in the field. There are two ways of extending your **ite** thermography certification level for an additional five years:

1. Attend an **ite** thermography certification class at your current certification level or upgrade to a higher level.

OR

2. Show proof of continuous employment in thermography with efforts to continue your thermographic knowledge and education as outlined below.

Step 1—Candidate Information

Student Name: _____
Certification ID Number: _____
Company: _____
Address: _____

Phone: _____
Fax: _____
Email: _____

Step 2 - Certification Level

Level I
 Level II
 Level III
Expiration Date: _____

Step 3 - Continued Active Employment - Required

The above individual has worked as a thermographer at least 25% of the time over the last five years.

Supervisor Signature: _____
Name (print or type): _____
Title: _____
Date: _____

Complete this form only if you are recertifying an existing Level I, II, or III certification and ARE NOT attending a certification class to meet the recertification requirements.

Step 4 - Select any Two of the Following (more than one of the same activity is allowed):

- I have written and published an infrared technical paper at a thermography conference. Submit a copy of the article with the recertification form and fee of \$145*.
- I have written an infrared article published in a technical trade journal, industry magazine, or the itc InfraMation newsletter. Submit a copy of the article with the recertification form and fee of \$145.
- I have attended a total of 5 half-day (2.5 days total) sessions at a thermography conference or **ite** application course. Submit proof of attendance at all morning and afternoon sessions with the recertification form and fee of \$145*.

*Attendees and authors at the **ite** InfraMation thermography conference or students at an **ite** application course are exempt from the recertification fee.

SUBMIT ALL MATERIALS TO:
